Charles Feltz

Charles,

I have enjoyed being in your Math class this year and having you as one of our bus drivers for some of the year. You are a nice guy. You deserve the best out of life. I hope that you get it to. We have had some times together but some how we have survived them. May you always get out of life what you want. Don't pull to many drunks this summer.

A friend,
Patricia

Charles,
It was fun having you in class this year. Have a nice summer vacation. See you next year as we become SENIORS!

Dedication

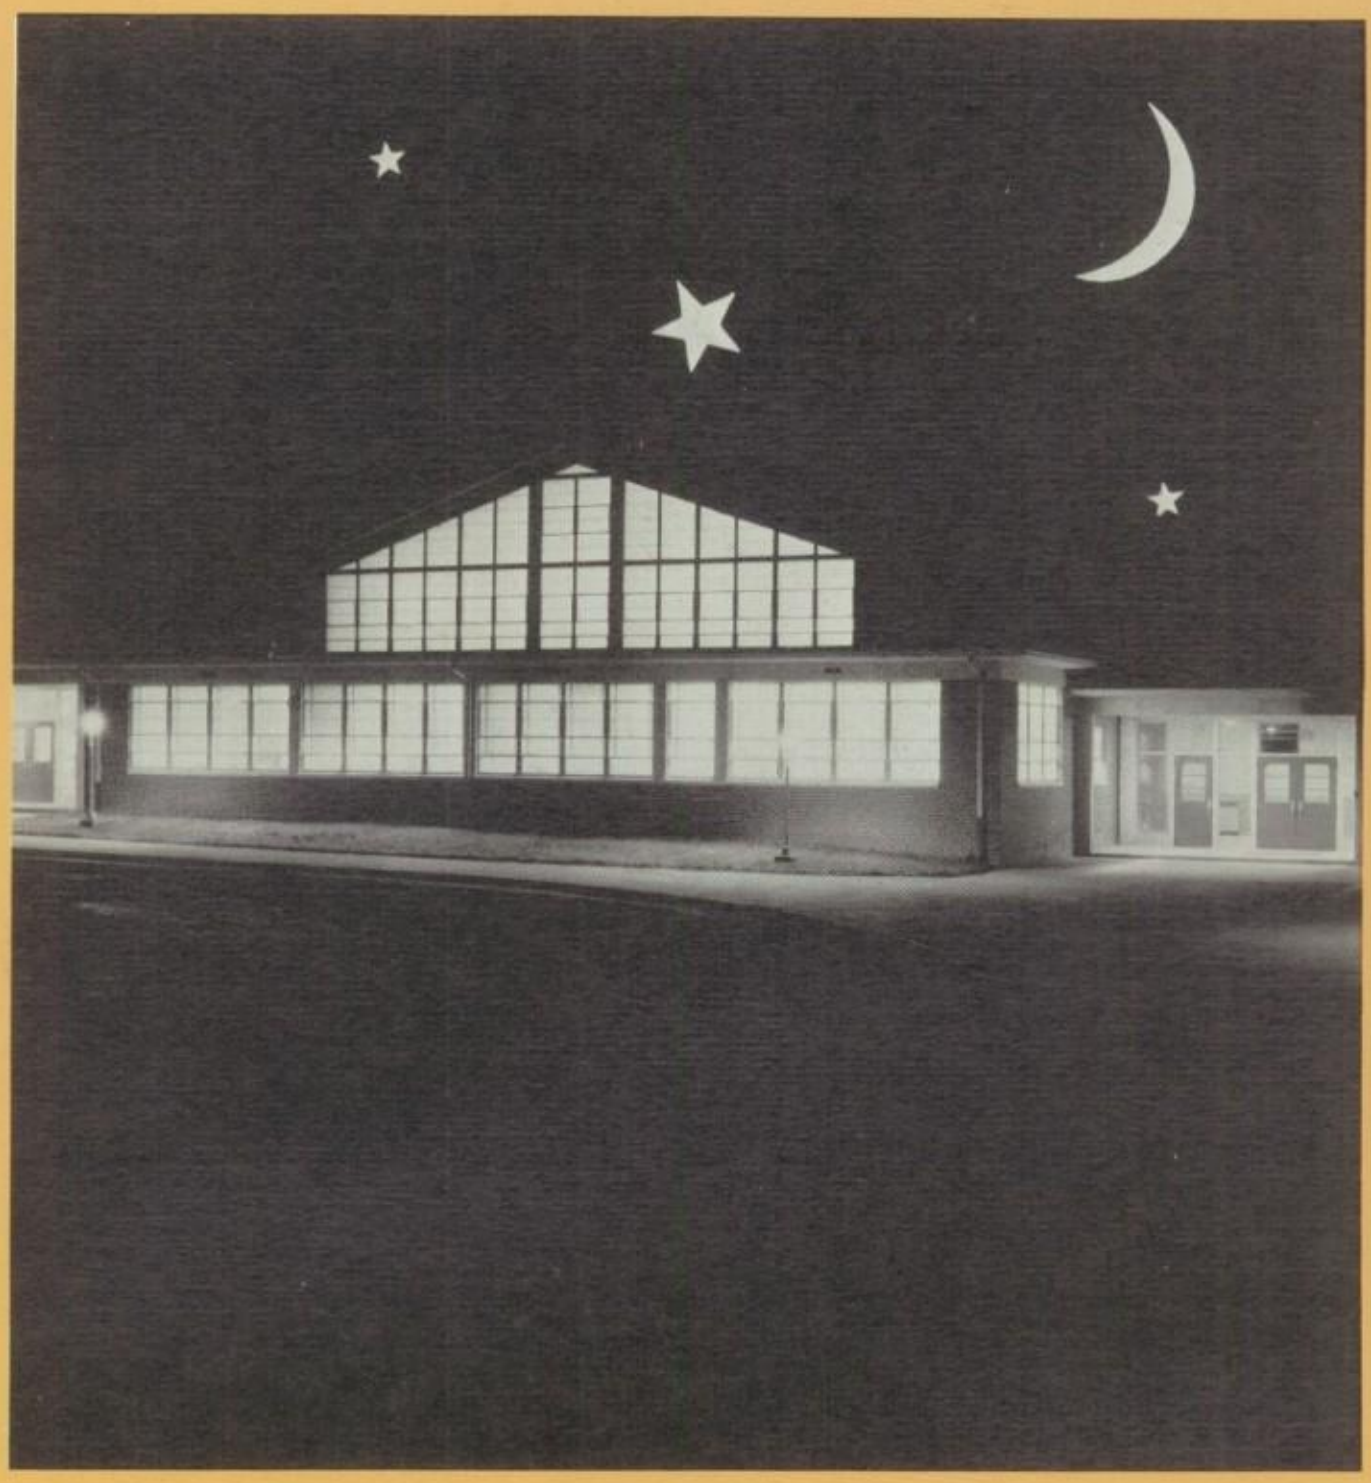
The strength of a person is shown by what she feels is important in her life.
In her quiet, purposeful manner, Mrs. Bradford for many years has shown

Loyalty to her work and school
Love for her home and family
Devotion to her church and its program
Kindness and consideration for her students, co-workers, and friends.

In appreciation for her as a teacher and friend the students of North Surry High School dedicate this Eleventh Volume, 1970 NORTH STAR, to

Mrs. Frances McNeil Bradford

Mrs. Frances Bradford



Our school plant has grown practically double in size since the high school opened here in 1959. The Agricultural Shop came first with two shops and 3 classrooms. The East Wing gave us a Band room, and ten classrooms. In 1969, the Vocational Building was completed. Here we have a Mechanics shop, Electronics, Drafting, and Office Practice areas, and seven regular classrooms.

Mr. and Miss North Surry Chosen

The most distinctive award that can be won by a senior is that of Mr. or Miss North Surry. Members of the senior class nominate from among their classmates, and teachers make the final selection. Qualities of character, service, leadership, personality and attitude are considered. The persons selected represent these qualities to a very high degree.

Margaret Rawley and Wanda Newman spend many hours working in the library.

Charles D. Atkins
Counselor

In a large high school there is a need for teachers to work in specialized areas. Counseling is needed in attendance, personal problems, information for vocational and educational plans, and others. Library and audio-resources, with directions for locating and using materials, is handled by librarians. These teachers coordinate many plans, events, projects, and reports during the school year.

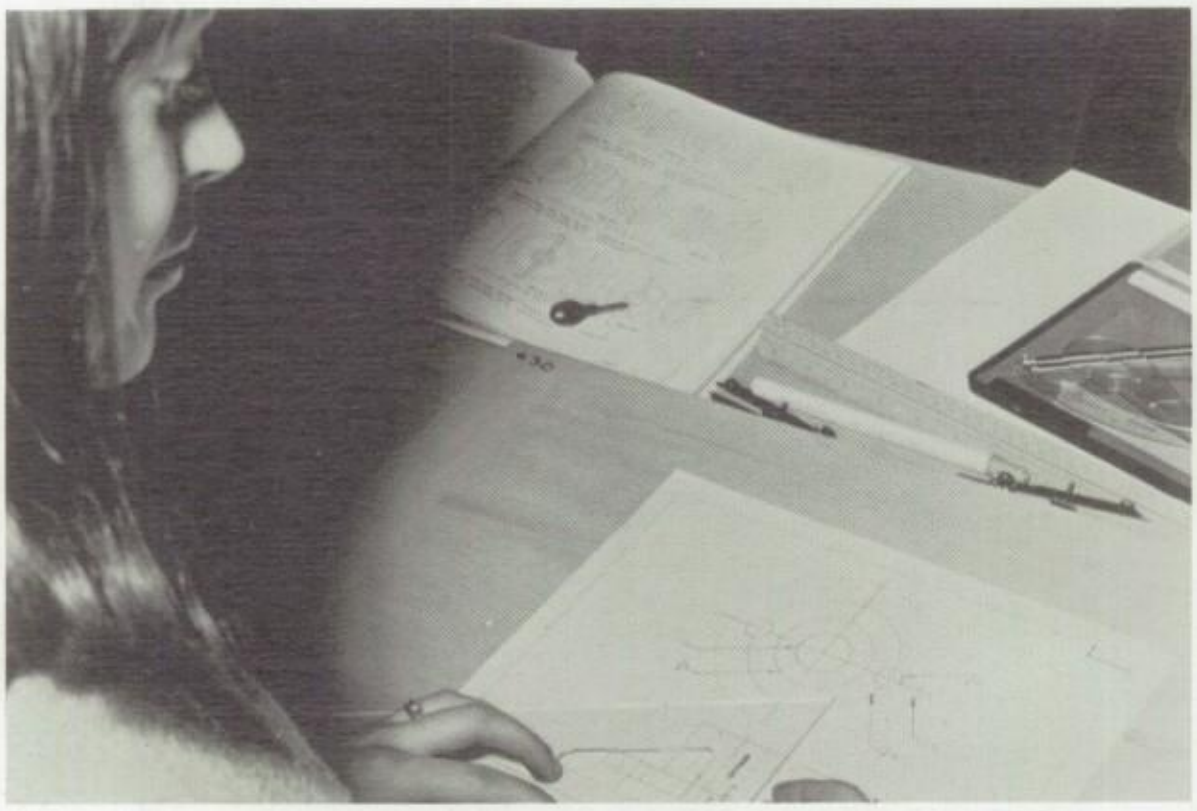
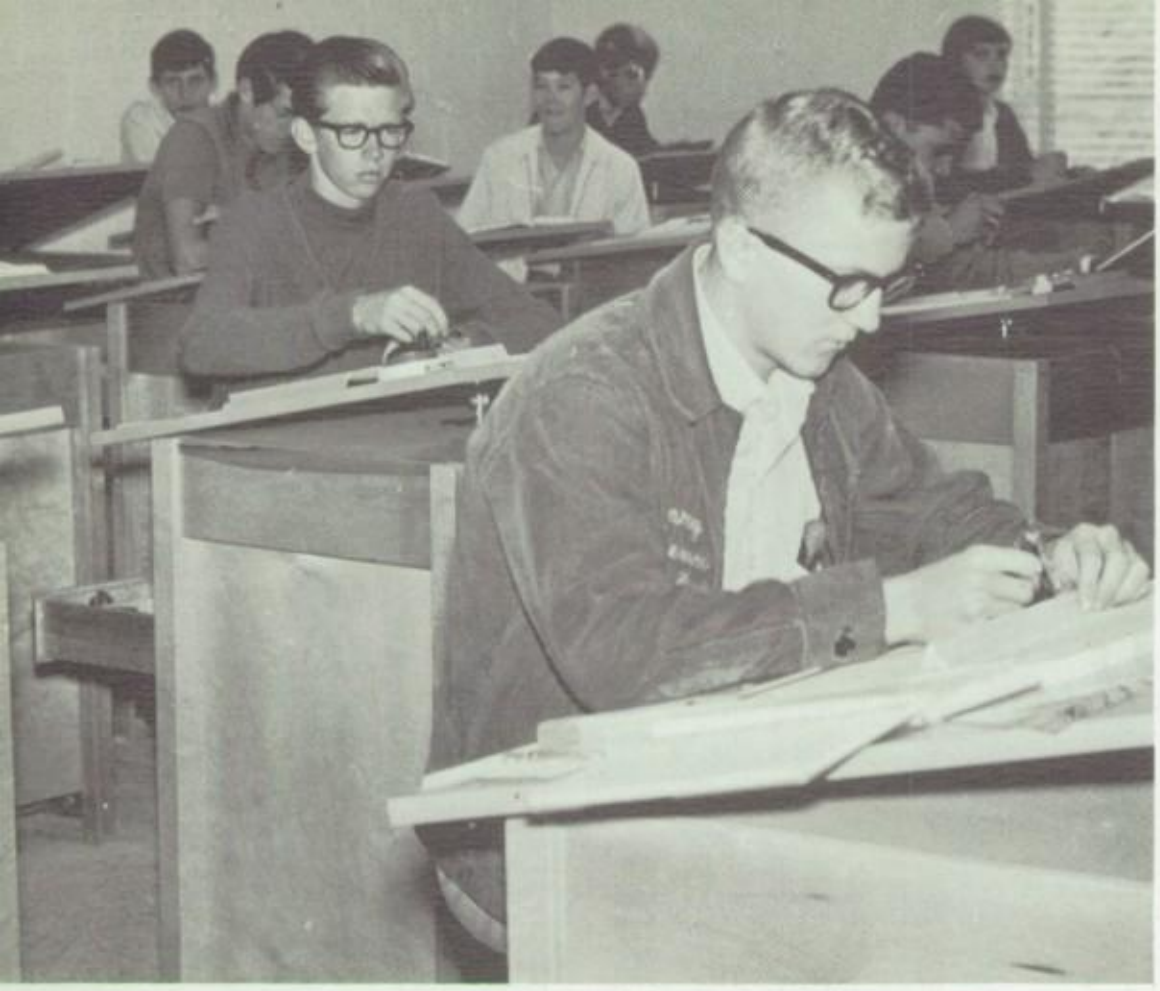
Many Students Receive Training in Drafting

Vocational Drafting provides interested students an opportunity to gain knowledge of the drafting field. It gives firsthand experience of what is expected of a draftsman and prepares a person to begin a career in drafting.



Shirley Peele proves to be an apt student in detailed drawing.

Melvin T. Jackson



Under supervision of Mr. Jackson, students are finding Drafting a challenge. Many students are taking advantage of this course during its first year.

Auto Mechanics Popular with Boys

The study of Auto Mechanics teaches a young man the principles of mechanics of different type motors. It helps him become skilled in maintenance and repairs. He should also develop the proper attitude toward his work. Job opportunities are available to one who becomes proficient in mechanics.

A well equipped mechanic shop and a chance to learn how to work on cars draw boys to Auto Mechanics for two hours a day.

Teacher Aides Work in all phases of School Life

Teacher aides are valuable assets to a school. These aides are skilled in the use of business machines, are excellent typists, and possess many aptitudes useful to a school. Typing is done in volume. Helping compile reports and records, and searching out information is done every day. Often they hold a class, or accompany groups on trips. Always they perform well and exhibit loyalty to the school program.

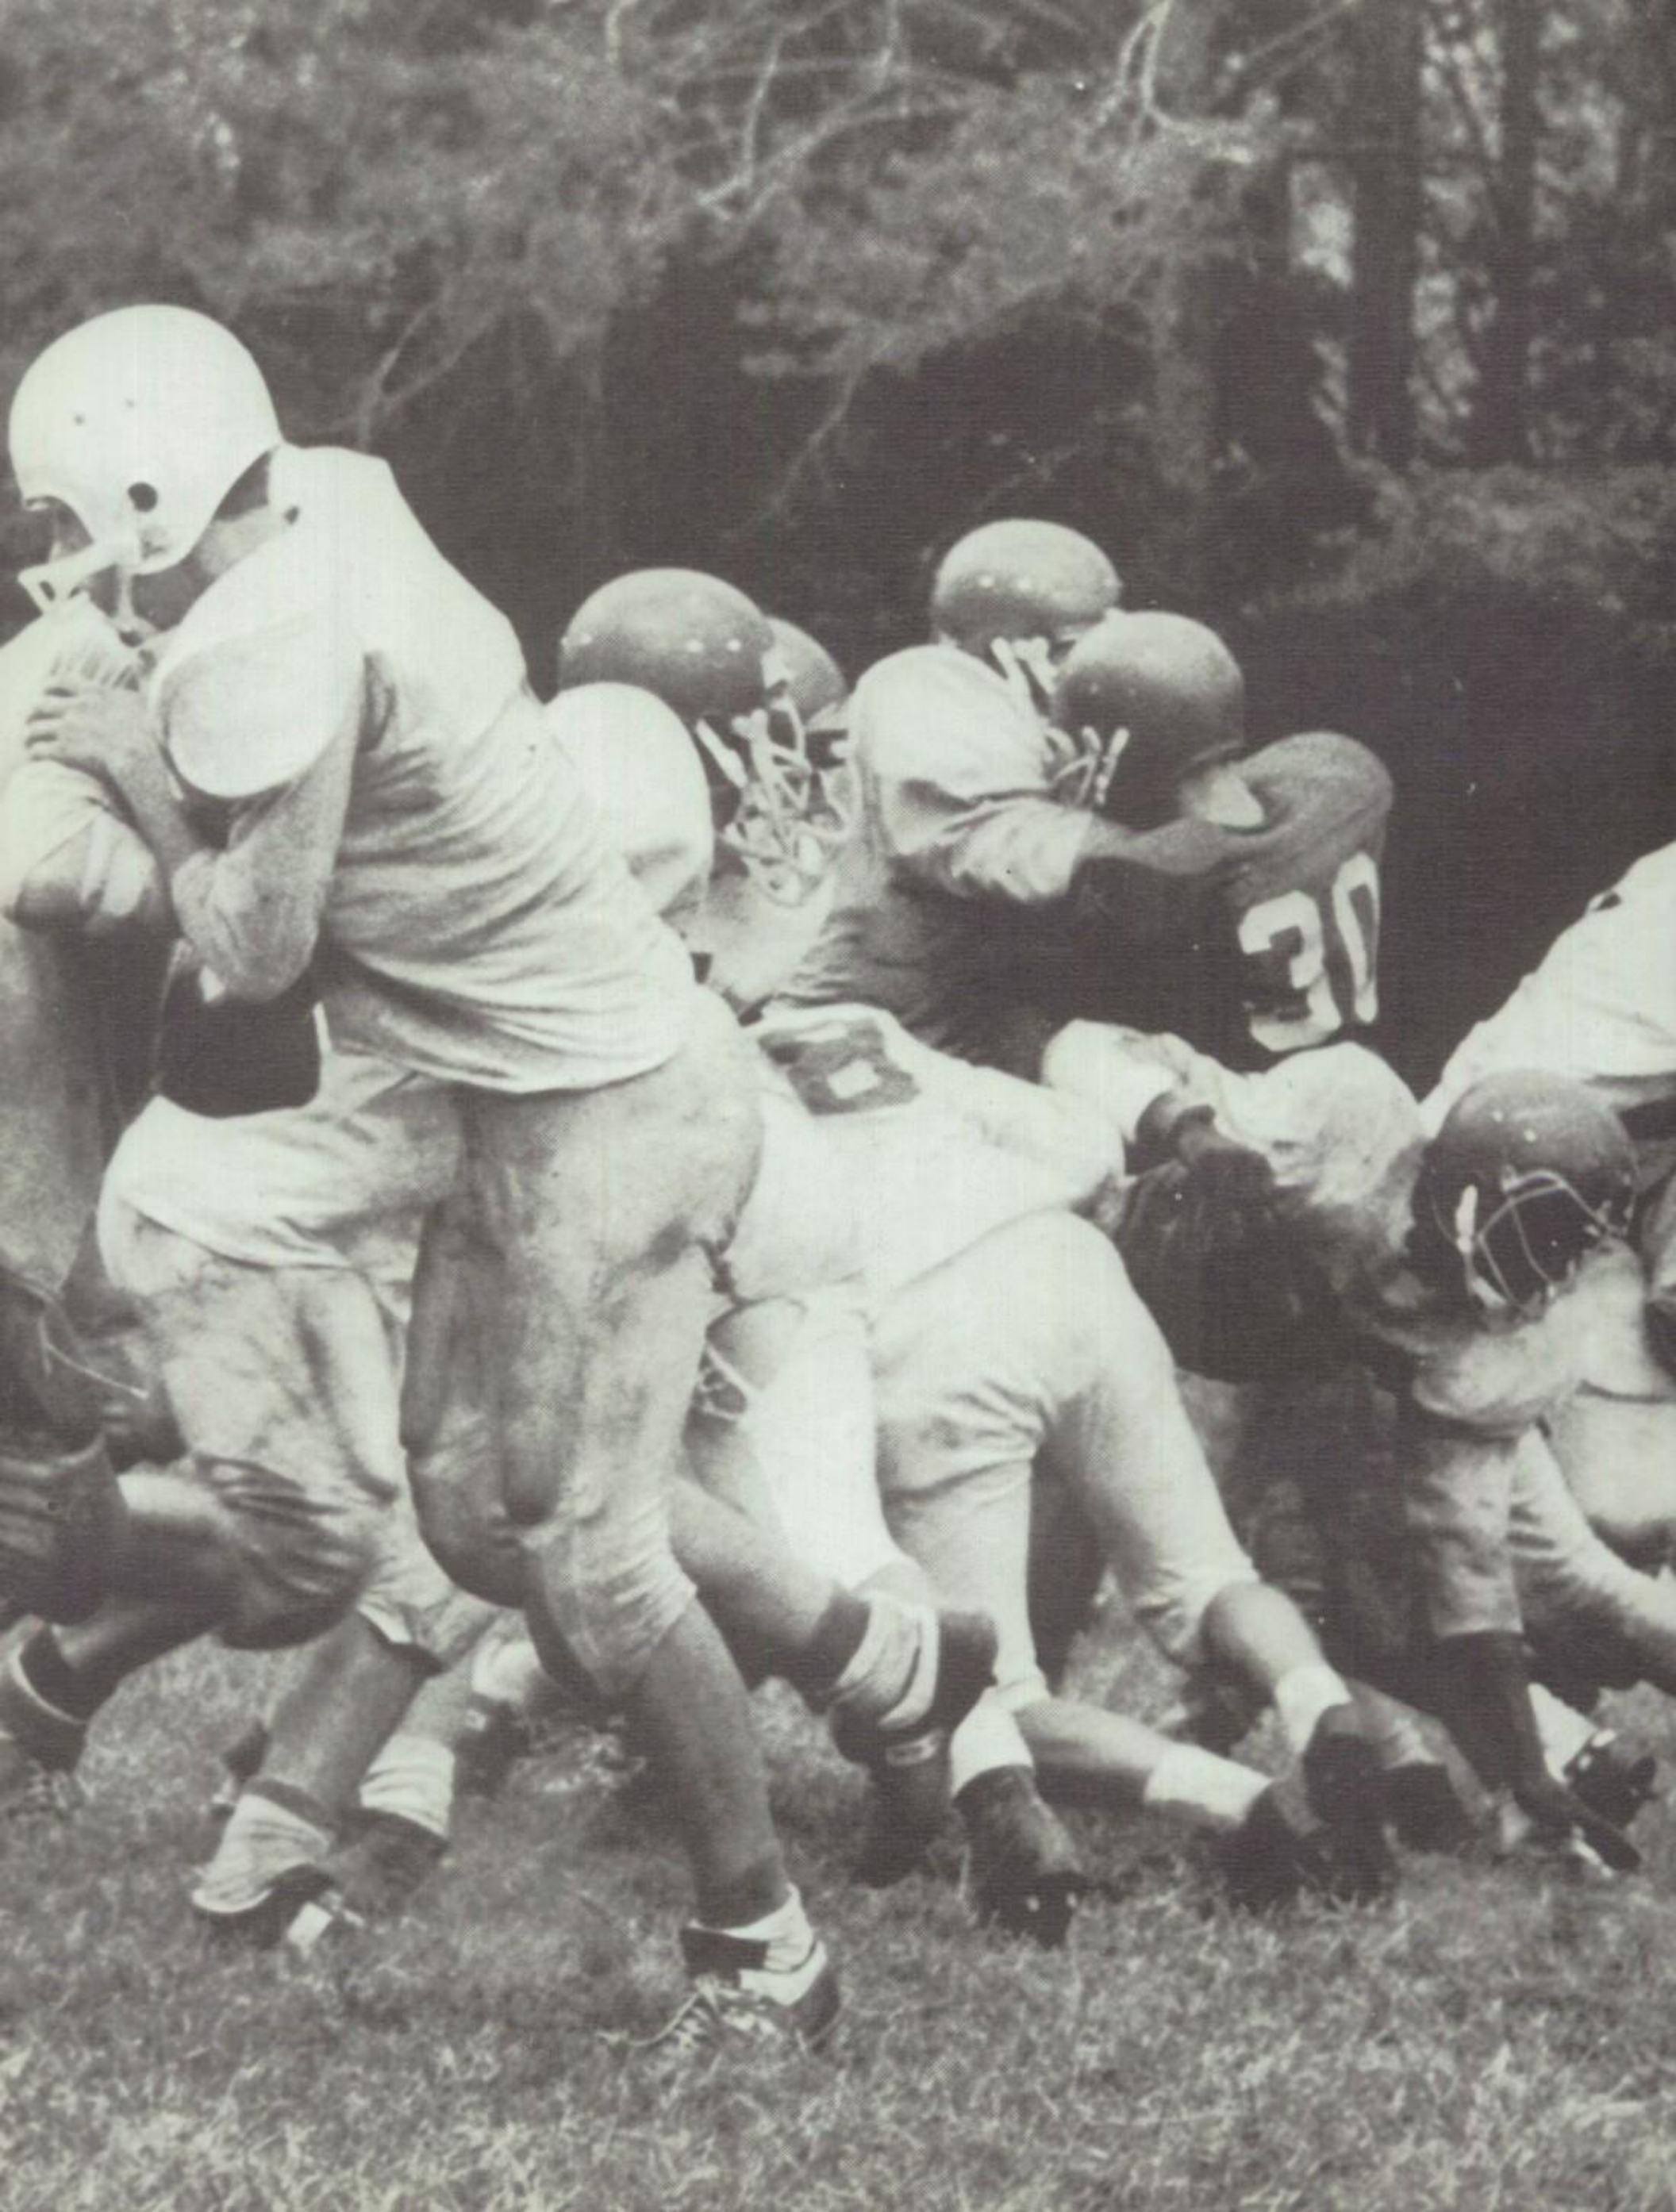
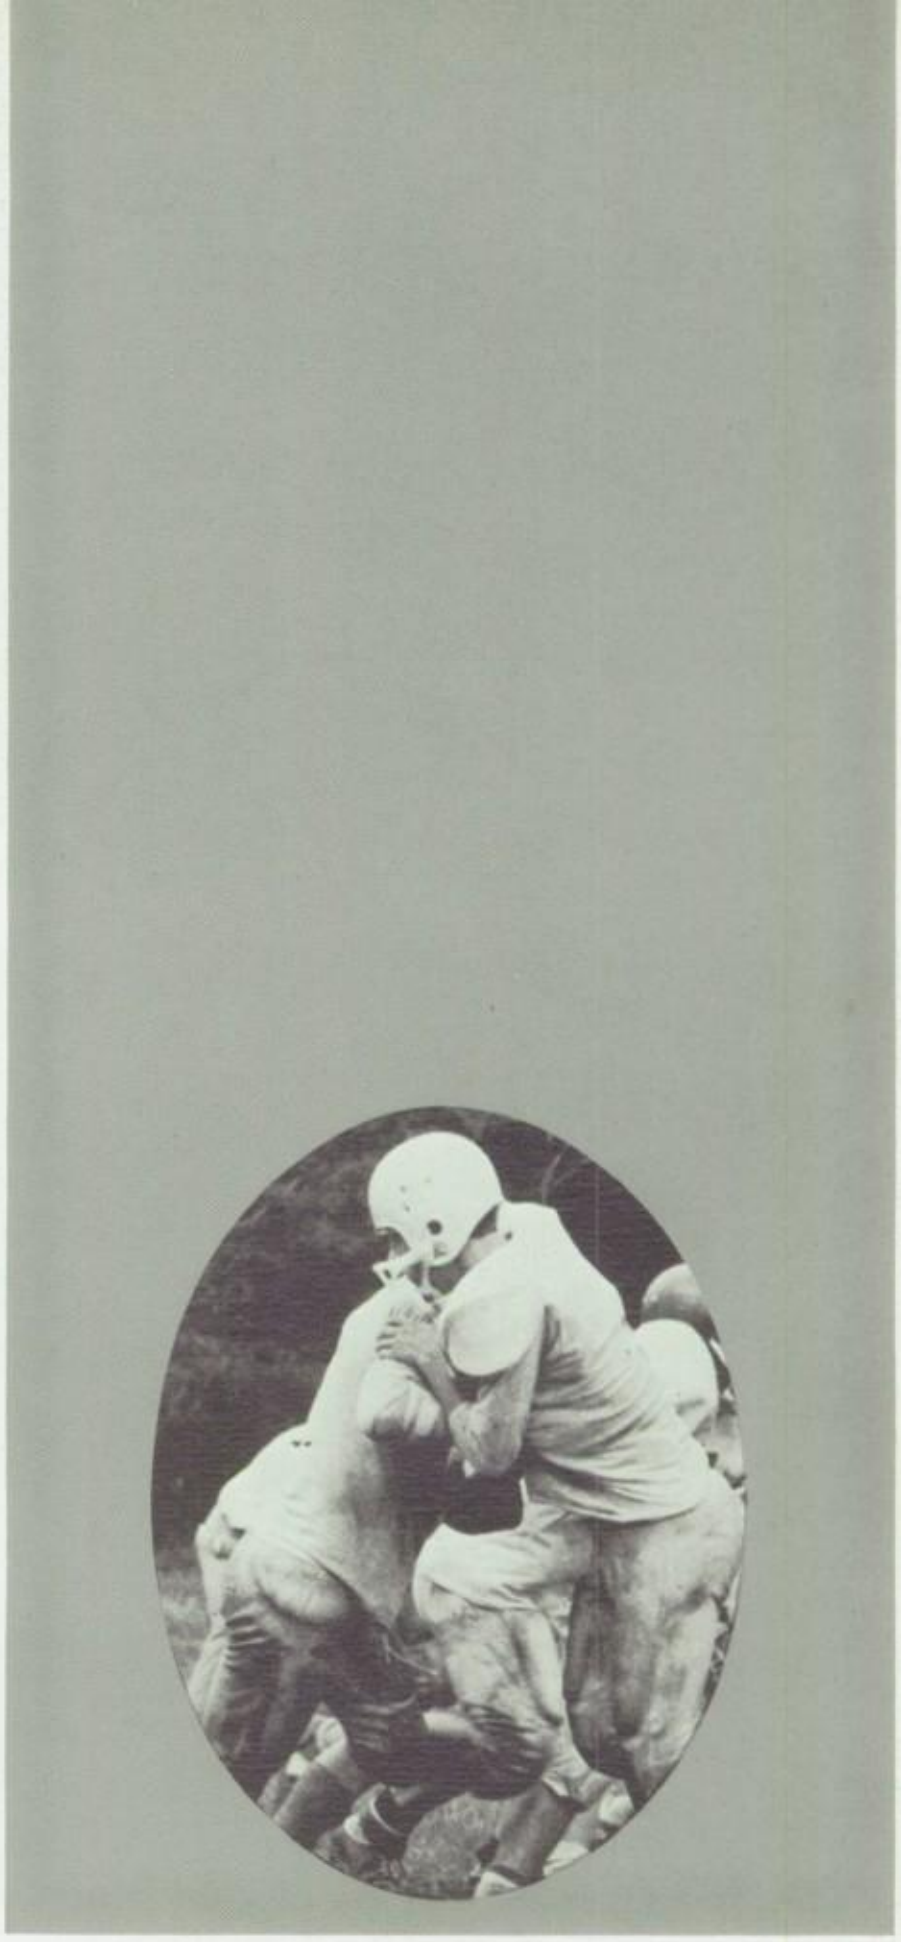
Cheerleaders Help To Create School Spirit

Cheerleader groups are leaders in promoting school spirit and support of athletics. These girls are elected by faculty committees after all have an opportunity to try out. Junior varsity and eighth grade groups begin their training early and may try out for varsity groups after some experience. They give many hours to training and work at athletic contests.

Junior Varsity Cheerleaders: Patty Gillespie, chief. First Row: Margaret Rawley, Donna Miller. Second Row: Penny Roberts, Lynn Blackburn. Third Row: Dawn Watts, Jarri Blue. Fourth Row: Sharron Lineback, Jan Smith.

Eighth Grade Cheerleaders: Rhonda Boyd, Pam Jackson, Sedalia Strickland, Lynn Enzor, chief, Patti Miller, Dianne Hemming, Pat Coe.





SPORTS

Young Players Bring Pep and Hustle to

An enthusiastic group of young, and inexperienced football aspirants met Coach Atkins in mid-August. With work, sweat, and serious purpose, 50 boys began to whip into good physical condition with the coaches prodding them to HIT, RUN, TACKLE—once more—a little harder. Gary Chilton began to bark like a quarterback, understudied by an eager Bernie Young. Their passes were snagged by Dennis Edmonds. The season was off and running with that never-dying North Surry spirit.

Jarrell is carrying the ball with Harold blocking.

Hounds Lick Starmount 30-7

Defense was a big element in every game played. Kent Faw, Gary Harrold, Tommy Golding and Danny Nichols were outstanding. Joe Nichols and Randall Vernon were good linebackers. Nick Jarrell and Walter Shuff were hard to stop when they carried the ball. Roy Norman blocked well and Jimmy Sumner played all around good ball. Valuable experience this year points to a greater year in 1970-71. Winning the last three games with a total score of 70 points against 15 by opponents indicates a well-balanced squad next year.

Co-captains Charles Rawley and Kenny Parker display outstanding leadership through triumphs or defeats.

Under the guidance of Coach Ronald King, the Hounds faced a rebuilding year with firm confidence and a never-faltering spirit.

Two of the games which demonstrated this typical "Hound Spirit" were the triumphs over rivals Mount Airy 58-56 and Surry Central 72-68.

A valuable asset to the team was the bench composed of Juniors who were called on numerous times to assist the starting five.

Charles,
It's been one hell of a
year for the bus drivers
isn't it. Hope we
have some classes together
next year. Good luck
Rube Foster
(Fellow Bus Driver)

Charlie,
It has been nice getting to know you in Math. You are a slob in front of the class & talk too much. Be good and have fun over the next 2 years! I'll see you next year!

Love,
Sue Edwards

The North Star Staff of 1970 wishes to express its appreciation to Miss Louise Kendall, without whose help this edition of The North Star would not have been possible.

Delts,
I don't cuss! Not knowing you to long I don't know exactly what to say. But I do know that you seem to be very sweet and nice. (& smart in Business math.)
---- it up!
Donna Ramsey

P.S. Behave this summer.

Charles, (Stinky)

We have had one "hell" of a time in the 3 classes we had together this year. Wait till we are seniors next year. Good luck to a "hell" of a good fellow.

Elyred Patts
(Johnny Davis)

Charles, (Mama Phillips)

It has been a lot of fun being in the classes together. That is some times when you wouldn't let me sleep but outside of that you are a swell guy. See you next year so try and be good.

Chicken man
Leon Hutson

P.S. Don't get into nothing you can't get out of.

Charles,
It's really been great knowing you and being in class together. You'd a great guy and deserve the best of everything in life. Good luck to you.
a friend,
Sandy

Charles,
(STINKY)
(MAMA FELTS)
you are one of
my best friends. We had
some good times in math. Best
of luck to you.
a friend,

(Puff)

Charles,
It has really been fun this year in Steady Hall. We have had a time and the best is yet to come when ~~next~~ year we are SENIORS! Good Luck

Pam.

Charles,
It has really been great having you in math this year, and come to think of it last year too. I hope we will get some classes together next year. Best of Luck.

A friend always,

Charles,
It has been a
real pleasure knowing
you this past year.
You are a little crazy
but maybe you also
succeed in life. May
all your hopes and dreams
be true ones. May God
bless and keep you.
